[Awards](#)

▶ About the conference:

A high-profile meeting of more than **300 representatives** of the leading SEE companies and senior decision-makers - a **platform for discussion** of the latest trends and opportunities in the sector that looks to discover the latest, forward-looking strategies.

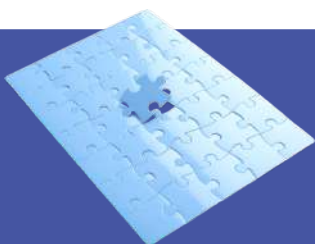

▶ Agenda:

- ▶ SEE Industry Report 2023 presentation
- ▶ SEE - Business growth accelerator of the future - report data discussion and outlook
- ▶ Shaping the business future - The leap from Industry 4.0 to 5.0
- ▶ Keynote speech by Jim Lawless: Humans of the Future
- ▶ Responsible business innovation and transformation - regulations and beyond
- ▶ Masterclasses (parallel sessions) focused on technology, entrepreneurship and investing

▶ About the SEE ITS Awards Ceremony & Gala Dinner:

Honor the efforts of top regional performers, investors and local governments for leading best practice and business excellence and creating a favorable business environment for the growth of the SEE ecosystem.

The **SEE Business Transformation, Employer, Service Provider, Technology Startup, CSR Initiative, and Best Resilience Project** are just a few of the awards categories.
